

## ***B.C. Construction Association – NORTH Helps Re-Build Shattered Lives***

B.C.C.A. – North Directors have considered potential roles that the Association could play in responding to the recent disaster in Haiti. In this regard, it has been agreed to support the **Rotary ShelterBox Canada Program** as this initiative provides immediate benefit to the people who have been devastated by the earthquake and are without any living accommodations. When a disaster occurs, there are four immediate needs: A **ShelterBox** provides dignity and hope to enable displaced persons to re-build their lives.

A complete **ShelterBox** for Haiti costs \$1,000 and contains:

- Ten Person Tent
- Blankets & Groundsheets
- Water Filtration System
- Multifuel Stove
- Pots, Tools, Rope and Other Survival Items
- Children's School Supplies

When a **ShelterBox** is sponsored, it is dispatched to Haiti from the Distribution Warehouse in the UK. A certificate with the name of the donor is placed in each Box and each one has a number. The donor, the number of the Box and the destination are recorded on the **ShelterBox** Canada Roll of Honour on the website: [www.shelterbox.ca](http://www.shelterbox.ca). **ShelterBox** Canada is a registered Canadian Charity and donations are tax deductible.

Your Association, through BCCA-North “kicked” off our Campaign by sponsoring the first ShelterBox. At the Chairman’s Ball held by Prince George Construction Association last Saturday evening, another 20 firms and individuals sponsored a further 19 **ShelterBoxes** putting our Sponsorship to date at \$19,000!!! If you or your firm wishes to assist the people of Haiti, we ask you to consider this Program. BCCA-North will be pleased to pass along your sponsorship – either in an individual’s name or in the name of your company. Please note that the Federal Government will match any donations that are provided by an individual – but we must have your paperwork in no later than the close of business on Friday, February 12<sup>th</sup>, 2010.
